An Advisory Board to the U.S. Department of Energy

March 3, 2005

Mr. Frazer Lockhart
Manager, DOE-RFPO
10808 Highway 93, Unit A
Golden, CO 80403

Dear Frazer:

The Rocky Flats Citizens Advisory Board has reviewed the draft Site-Wide Integrated Public Involvement Plan. The members believe it is a well-written plan and have no specific comments on the text.

We appreciate DOE's continued commitment to public involvement and its acknowledgement of the Board's role through site closure. We look forward to continuing our positive working relationship through that time.

Sincerely,

A handwritten signature in cursive script that reads "Gerald L. DePoorter".
